As RISING JUNIORS, you are eligible to register for AACC Restoration Ecology and AACC Intro to Drone Technology

- AACC Professors come to Broadneck to teach these classes during 3rd or 4th block during semester 2
- Students must take both courses, and sign up for them during regular BHS scheduling in February
- Classes are AP weighted in Broadneck GPA and count as BHS elective credits
- Successful completion results in 7 college credits from AACC
- Credits and course materials are no cost to students through ECAP
- Students do not have to be Signature students to take these classes.
