

# Advanced Placement Information Night

Broadneck High School

# About Advanced Placement

Courses developed on an international level to give high school students access to college level courses

Exams are nationwide

All students evaluated on the same level

Courses are designed to match introductory college courses but made for high schoolers

Input from both college and high school educators are used to develop them

# Why take an AP level course?

College Credit

Higher Weighted GPA

College Admissions

College Preparedness

Increased Rigor

# College Board & Accommodations

- If a student has testing accommodations via a 504 or an IEP plan, these accommodations do not apply to College Board assessments (PSAT, SAT, or AP exams).
- To request accommodations, parents need to complete a College Board consent form. Contact our School Testing Coordinator, Ms. Cosgrove for more information ([kcosgrove@aacps.org](mailto:kcosgrove@aacps.org)).
- College Board may take up to eight weeks to review before rendering a decision which will apply to all College Board assessments (PSAT, SAT, AP) until the student graduates.
