

Official Transcript Requests

Alumni: Anne Arundel County Public Schools has partnered with Parchment, a leader in eTranscript exchange, to send alumni high school transcripts electronically, securely, and confidentially, to colleges and universities of your choice! The service is available online, 24 hours a day and seven days a week.

Alumni (graduated) simply request a transcript and designate the academic institution, organization or individual that they would like to receive it. Users will be notified when their request is complete and can also track the status of their request or view a saved copy of their transcript.

Alumni will pay \$8 per transcript, or more depending on how the alumni want it sent; although in the rare circumstance that the desired recipient does not accept electronic delivery and your transcript must be mailed, there will be an additional charge of \$2.50.
